

Web Frontend Developer (Internship)

JOOS®

Your Job at JOOS®

Build it

Develop and optimise our user interfaces

Make it shine

Collaborate with back-end devs and web designers to improve the usability

Energize it

Get feedback from users and customers and build solutions for them

Your Skills

- ✓ TypeScript & JSX
- ✓ React & Next.js
- ✓ HTML & Tailwind CSS
- ✓ Open mind set, creativity & attention to detail
- ✓ Good English skills

Your Reward

- ✓ Deep first-hands insight into a vibrant startup, web3 and creator industry
- ✓ Freedom for creativity and active participation
- ✓ Space for your own ideas in a dynamic, dedicated and motivating environment (aka your chance to nerd out about what you love)
- ✓ Flexible working hours
- ✓ Work remotely or in our Münster office

Want to taste the JOOS®?

Send your application to heya@joos.me

CV (en/de), why you & your availability (1-3 months, full-time / part-time)

We are a young SocialTech / FinTech startup developing an app for content creators to get access to direct funding from fans and investors and build a connection with their audience. Check joos.me
